## Experience

Wilson McDowell is a Managing Director and Principal at Cite Partners. He has been active in the commercial real estate industry since 2005 and is consistently recognized as one of the top industrial real estate brokers in Central Florida. Wilson specializes in representing tenants, buyers, sellers and landlords in the disposition, acquisition, development and leasing of industrial real estate. He has had significant experience in site selection for new locations, consulting on current real estate assets and assisting industrial real estate users and investors with development and investment strategies.

## Background

Wilson was the Managing Director of Industrial Services at Colliers International for nine years before starting Cite Partners. At Colliers, he was consistently ranked as one of the top brokers in the region. He graduated from Davidson College with a BA in economics and takes pride in staying involved with the community.
