Experience

Dewayne brings over 15 years of experience in commercial real estate financial administration to Cite Partners. His strengths and knowledge in financial reporting, asset budgeting, escalation billings, reconciliation and lease administration add significant value to the Property Management team and his clients. He has supervisory experience in the implementation of the Yardi accounting software and will oversee the accounting department within Cite Partners. His responsibilities will not only support the property management division but will also support corporate accounting for Cite Partners.

He develops strong communicative relationships with our clients, asset managers and their accounting staff to ensure the client's needs are met for their assets. His commitment and dedication will lead the accounting team to exceed our clients expectations.

Background

Prior to joining Cite Partners, Dewayne was with Colliers International Central Florida where he was responsible for the accounting and monthly financial reporting for approximately three million square feet of industrial, office and retail properties. Prior to Colliers, Dewayne held the Senior Accountant role with Fifth Street Management in Atlanta and oversaw the accounting for over two million square feet of office, industrial and retail space, as well as corporate accounting.
